

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

IN RE: TYRONE NOEL NUNN,

Plaintiff.

Case No. 3:24-cv-00090-MMD-CSD
**ORDER TO ADMINISTRATIVELY
CLOSE CASE**

10 The Court finds that the Clerk's Office opened this case in error. Plaintiff Tyrone
11 Noel Nunn, who has filed many lawsuits in this Court, submitted a document entitled
12 "Legal Aid Declarative Conference" but did not identify a case number in the caption.
13 (ECF No. 1-1.) As a result, the Clerk's Office docketed this filing in a new action.

14 However, after reviewing the filing, it appears that Nunn intended to file this
15 document in one of his open cases although it is unclear which one. Nunn lists several
16 case numbers in the body of the document. (See ECF No. 1-1.)

17 The Court directs the Clerk of the Court to administratively close this case and
18 return the filing back to Nunn. If Nunn seeks to file that document in one of his open cases,
19 he must list the case number in the caption of the document. See LR IA 10-2 (detailing
20 the required format for filed documents which includes a case number). Moreover, the
21 Court warns Plaintiff that “[a]ll communications with the court must be styled as a motion,
22 stipulation, or notice, and must be filed in the court’s docket and served on all other
23 attorneys and pro se parties. The court may strike any case-related correspondence filed
24 in the court’s docket that is not styled as a motion, stipulation, or notice.” LR IA 7-1(b).

1 It is therefore ordered that the Clerk the Court is directed to administratively close
2 this case and send Plaintiff a courtesy copy of the document filed at ECF No. 1-1.
